Beyond (Seleapewao)

Beyond the blue
Beyond the stars
Out of the cold
Into the sunlight
Beyond the moon
Beyond a dream
Out from the edge
Into the center
The summertime melts the icy rain into a distant memory
The fog is lifting from the catastrophic landslide in my mind

Above the wind
Above the rain
Out of the storm
Into a shelter
Above the rush
Above the fray
Out of the race
Into the current
The springtime brings the hope that life will now begin again
The sunrise burns away the plague of darkness that belied my eyes
